

## The Verdict Is In . . .

**JUSTICECENTRAL.TV** features the sassiest and savviest judges in the court genre. And don't just take our word for it: from awards to ratings, the people are ruling in our favor.

- **America's Court With Judge Ross:** With a previous stint at the L.A. Superior Court, Judge Ross is an Emmy-nominated expert at showing litigants how to coolly handle their altercations.
- **Justice For All With Judge Cristina Perez:** 3-time Emmy Award winner and published author Judge Cristina Perez knows how to connect with her ever growing fan base.
- **Justice With Judge Mablean:** EMMY Nominated, Judge Mablean returns to the bench – and ratings show the audience is happy to have her back.
- **Supreme Justice With Judge Karen:** Best known for her sassy personality and bold judgments, Judge Karen Mills-Francis boasts over 13 years of legal experience and is a successful published author.
- **The Verdict With Judge Hatchett:** Author and Two-time Emmy-nominated Judge Glenda Hatchett brings her no-nonsense but compassionate rule to the bench everyday.
- **We The People With Gloria Allred:** For over three decades, Gloria Allred has defended civil rights and more than a few celebrities. She also has three Emmy nominations in her storied resume.
- **Storm of Suspicion:** Takes forensic crime solving to a whole new level as weather becomes the defining factor in these cases. It's a riveting procedural reality show from the EMMY Award winning network, **THE WEATHER CHANNEL**.
